

# Brava<sup>®</sup> Adhesive Remover

Quick and easy removal of adhesives

## The adhesive remover that makes a difference

Brava Adhesive Remover reduces the risk of trauma to the skin. It can easily remove baseplates, adhesive and residue – without compromising the adhesion of the next appliance.

Brava Adhesive Remover is available as a spray and a convenient wipe.

Now with

liquid

# Brava® Adhesive Remover

## Sting-free

As Brava Adhesive Remover does not contain alcohol, it does not sting upon application.

## Skin friendly

Brava Adhesive Remover contains silicone, which is gentle to the skin.

## Dries in seconds

There are no inconvenient delays before your patients are ready to apply a new baseplate.
